THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

W.P.No.9632 of 2007

Date:01.05.2007

Between:

K.Subbalakshmi

PETITIONER

AND

The Superintending Engineer and others.

---------RESPONDENTS

ORDER:

The petitioner is a consumer of electricity with service connection No.3 of Kasipatnam Village. The son of the petitioner, by name Sri K.Bhaskar Rao had established a rice mill and he has separately obtained connection, through S.C.No.28 under category-III. Proceedings were initiated against the son of the petitioner for the alleged acts of pilferage. On the ground that certain amount is due from the son of the petitioner, the power supply to the petitioner was disconnected in the last week of January, 2007. The petitioner challenges the same.

Heard the learned counsel for the petitioner and the learned standing counsel for the respondents.

Admittedly, there are no cases or complaints against the petitioner. The question of disconnecting the power supply to the petitioner would arise, if only, there are any arrears or any proceedings were initiated against the petitioner, be it in connection with S.C.No.3 or any other service connection standing in his name. The respondents cannot proceed against the petitioner on the basis of the action initiated against his son.

Hence, the writ petition is allowed and the respondents are directed to restore the power supply to the petitioner, within one week from today. There shall be no order as to costs.
